With over five decades of building experience, Rudolph and Sletten, Inc. (R&S) has literally built the foundation of California’s industries, building everything from biotech laboratories and medical facilities to corporate campuses and educational institutions.

R&S is consistently ranked as one of the top contractors in California by California Construction Magazine and ENR.

R&S cordially invites you to learn how to become a part of our winning team. The business outreach event for contractors is focused on forging relationships with construction related businesses certified, including but not limited to: **DBE, DVBE, MBE, WBE and SB/MB.**

There will be representatives from: certifying agencies, non-profit organizations specializing in maximizing opportunities for small businesses, and owner’s representatives from the below projects. Project specific mandatory and general prequalification opportunities for R&S will be detailed further at the event.
