DSM can assist with information on bonds, lines of credit, insurance, and access to bid documents.

DSM may require subcontractors to provide 100% payment and performance bonds, from a California admitted surety with an AM Best rating of A-VII or better as a condition of contract. DSM strongly encourages the use of DVBE subcontractors and vendors. Please include the use of Qualified DVBE suppliers and lower-tier subcontractors where applicable. It is the subcontractor's responsibility to review the Owner's General and Special Conditions for this project as they will be binding. Subcontractors will also be required to execute DSM's Standard Subcontract Agreement.
