La Sierra Site Improvements Project

The La Sierra Site Improvements Project is within Carmichael, CA. The project consists of equipping the existing well with a pump, discharge piping, new electrical service, standby generator, and a manganese treatment system prior to connecting to the existing water distribution system. The estimated cost is \$3.9 Million to \$4.5 Million. A pre-bid meeting will be held on December 6, 2023 at 10:00 a.m. at the project site located on San Juan School District property located at the intersection of Garfield Avenue and Engle Road in Carmichael, California. At this meeting, representatives of the District will discuss the bid documents, site constraints, order of work, and other items specific to the project. Attendance by contractors and/or subcontractors is not mandatory, but all interested prospective bidders are encouraged to attend.

Bidding Documents will be available beginning November 27, 2023 through ARC Document Solutions website (<https://customer.e-arc.com/arcEOC/ARCPlanRoom.aspx>). The ARC Document Solutions Sacramento location phone number is (916) 443-1322. All project addenda will be posted through the ARC Document Solutions.

All bidders must purchase a complete set of the documents (hard copy or complete download) from ARC Document Solutions to be listed on the plan holders list, be considered responsive, and to receive subsequent communications such as addenda. **Bidders must be listed on the plan holder's list to receive addenda and to be eligible to submit bid.**

Contract Documents may also be posted at other major bid houses. The District reserves the right after opening Bids to reject any or all Bids, to waive any informality in a Bid, and award in the best interests of the District. If the Contract is to be awarded, the District will award the Contract to the responsible Bidder that submits the lowest responsive Bid.
