An Equal Opportunity Employer

Is requesting quotations from all qualified **DBE** Sub-contractors and Material suppliers performing commercially useful functions for the following project:

Agency: San Bernardino County Transportation Authority | IFB 23-1002955

Project: I-215 University Parkway Interchange Project

The Project will address traffic congestion and improve freeway access for the region by reconstructing the existing tight diamond interchange configuration at the Interstate 215 (I-215) and University Parkway Interchange into a Diverging Diamond Interchange (DDI) configuration. The project will include widening of both southbound and northbound on-ramps, widening of the northbound off-ramp, installation of new traffic signal poles, signage structures, construction of a median pedestrian crossing with concrete barriers, drainage improvements, landscape planting, and plant establishment.
