Any pre-bid questions concerning the bidding documents should be submitted through the Q&A section of the District's Online Bid Platform. Instruction to access the Bid Platform can be found on the District's Website (<https://www.sanjuan.edu/our-district/contracts-and-bids/facilities-contracts-and-bids/rfp-rfq-bids-awards>). It shall be the responsibility of each prospective Bidder, upon discovery of any ambiguity or discrepancy in the Notice to Bidders, Instructions to Bidders, Bid Form, specifications, or drawings, to bring such ambiguity or discrepancy to the attention of the District prior to the Bid date and time. Failure to raise any such ambiguity or discrepancy prior to the Bid deadline shall waive the Bidder's right to object to the ambiguity or discrepancy after bidding.

Notice is hereby given that the Project is a public works project within the requirements of Division 2, Part 7, Chapter 1 of the California Labor Code, and that each bidder and listed subcontractor is required to be registered pursuant to Labor Code section 1725.5 at the time of bidding. **Failure of the bidder to be registered at the time of bidding shall render the bid non-responsive and unavailable for award. Bidder's listing of an unregistered subcontractor may render the bid non-responsive and unavailable for award unless such failure is the result of an inadvertent error and the provisions of Labor Code section 1771.1 apply.**

The plans and specifications may be obtained from the District's Website (<https://www.sanjuan.edu/our-district/contracts-and-bids/facilities-contracts-and-bids/rfp-rfq-bids-awards>) and the District's Online Bid Platform.

Notice is hereby given that the Project is subject to the requirements of Public Contract Code section 20111.6 as a project funded under the Leroy F. Greene School Facilities Act of 1998 or a project that involves a projected expenditure of one million dollars (\$1,000,000) or more and is funded from a state school bond. As such, the District will accept Bids only from prequalified Bidders. In addition, all mechanical, electrical and plumbing (“MEP”) subcontractors (as defined by Public Contract Code section 20111.6(k)) must be prequalified prior to the Bid due date. MEP subcontractors subject to these requirements are those with any of the following license classifications: C-4, C-7, C-10, C-16, C-20, C-34, C-36, C-38, C-42, C-43 and C-46.

The District’s Prequalification Application is done on-line. The direct link to the on-line application is <https://sjusd.qualitybidders.com>. Bidders and MEP subcontractors must have submitted their on-line applications no later than ten (10) business days before the due date for Bids or have been prequalified for at least five (5) business days before the due date for Bids. Bids will not be accepted from any Bidder who has not complied with these requirements.

Every Bid shall set forth information on subcontractors required by Public Contract Code sections 4100 to 4114, inclusive. Failure to list a subcontractor for a portion of work, if required, is a representation that the Bidder will perform that portion of work itself.

The Project includes a goal that each Bidder commit to provide at least three percent (3%) of the work to one or more Disabled Veteran Business Enterprises (“DVBE”) certified by the California Department of General Services. **If a Bidder does not achieve at least the 3% DVBE goal, then the Bidder must establish Good Faith Efforts (“GFE”) to have met the goal**, as addressed more fully in Instructions to Bidders, in order to be eligible for contract award.

The District participates in all available rebate programs. The successful Bidder agrees to notify the District of any available rebate of which the successful Bidder is aware, and to provide the District with invoices and all other documentation necessary to claim any available rebate. The District will apply for available rebates, and the rebates will be paid directly to the District, not the successful Bidder.

The selected contractor shall be required to complete any and all fingerprinting requirements and criminal background checks required by State law and shall also be required to complete a Drug-Free workplace certificate.
