To review and respond to this RFQ, please reference the following link to join our project on Building Connected: [Otay Mesa East Port of Entry - Construction Services: Phase 1](#)

Otay Mesa East Port of Entry Project will have multiple procurement phases. Notification of additional scopes of work will be announced when available and advertised in a timely manner.

Please note, we are available to assist interested DBE with any questions you have regarding bonding, financing, insurance, or scopes of work. Additionally, we are available to help with any technical assistance or requirements for work including support with obtaining necessary equipment, supplies, materials, or related assistance or services.

If you have any questions regarding the RFQ, please contact Caelan McKamey at 619-578-2650 or [caelan.mckamey@clarkconstruction.com](mailto:caelan.mckamey@clarkconstruction.com). If you have questions regarding DBE supportive services, please contact Gina Paulino at [OME@moderntimesinc.com](mailto:OME@moderntimesinc.com)
